

Energy Go Stix®

On-the-go energy support

- Improves energy and stamina*
- Supports memory, alertness, and mood*
- Promotes healthy metabolism and weight management when accompanied by diet and exercise*
- Support healthy immune system function*

What is Energy Go Stix?

Energy Go Stix® is formulated to help you power through your busy day, giving you a boost of natural energy without the buzz and crash found in most store brands. Rich in natural energy boosters and fortifying nutrients, including the revolutionary Transfer Factor E-XF™, Energy Go Stix promotes energy and stamina, helps improve memory and alertness, and supports healthy immune system function. Packed in convenient citrus-orange flavored single packets, this energy formula is perfect to take with you wherever you go.

Did you know?

Yerba Mate leaves are used in beverage form throughout South America as an energy drink, nervous tonic, and for depression. The indigenous people have deemed it “The Drink of the Gods” and have used it for centuries to wake up the mind.

PRIMARY SUPPORT:

Energy

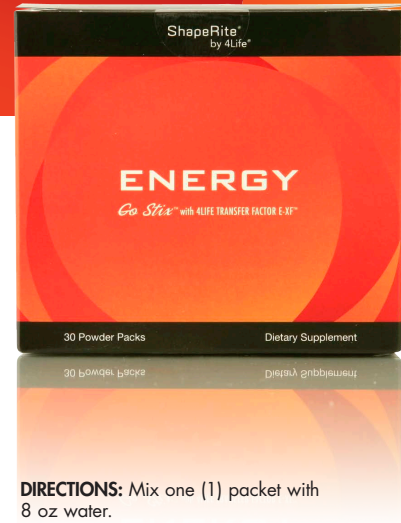

SECONDARY SUPPORT:

Weight management
Immune

Key Features

- Contains transfer factors (immune messenger molecules) that help educate immune cells and promote the immune system’s ability to more effectively recognize, respond to, and remember potential health threats.
- Blends natural energy boosters, including yerba mate, guarana, green tea extract, and three forms of ginseng.
- Supports weight management efforts with chromium, L-carnitine, and green tea.
- Includes an energy-rich formula that supports mental alertness and physical stamina.
- Ensures exclusivity with protective United States patents: 6,468,534 (extraction process for transfer factors from egg sources) and 6,866,868 (combination process of transfer factors from cow colostrum

*Energy Go Stix contains ingredients that have been shown to support these structure/function claims.

DIRECTIONS: Mix one (1) packet with 8 oz water.

ENERGY GoStix

Ingredient List...

Vitamin A

Eyesight, adapt to darkness, dry eyes. Antioxidant, immune stimulant. Excellent for skin, healing wounds, ageing skin+bone strength.

Vitamin B2

Good for stress, fatigue, cracks in corner of mouth, gritty eyes. Transports blood sugar to muscles for energy. Also promotes good vision.

Chromium

Helps process sugar. Manufactures good cholesterol+insulin. Gets sugar into the cells so the body can use it

L Glutamine

Used as brain fuel as passes through the 'blood brain barriers'. Decreases sugar craving, carb+alcohol craving. Diminishes fatigue. Aids in the healing of ulcers.

LArginine

Enhances fat metabolism, good for weight loss as releases energy. Increases immunity as stimulates Thymus activity. Used by body builders. Increases male fertility. Helps with wound healing+lowers cholesterol.

Taurine

Enhances brain+heart function i.e. electrically active tissue. Stabilises cell membranes helping movement of potassium, sodium, calcium+magnesium in+out of the cells generating nerve impulses. Helps immunity, eye disease, liver+depression.

Creatine

Muscle bulker, provides energy to muscle cells, then metabolised to creatinine.

Carnitine

Improves heart function. Increases breakdown of fat, producing energy in the cells.

L-Ornithine

Can be made from arginine. Helps metabolise nitrogen(ammonia). Builds immunity promotes healing and liver regeneration.

Eleuthero root extract-Siberian Ginseng

Protects immune system, increases stamina+increases resistance to stress. Adrenal gland tonic+general tonic.

American Ginseng

Yin tonic. Increases tolerance to general stress, similar but milder to Korean ginseng. Supports adrenal glands. Cooling. T.M.C.

Korean Ginseng

Increases vitality+stamina. Helps body adapt to stress, fatigue+cold. Increases immune function, and resistance to infection

Green tea leaf extract

Antioxidant neutralising free radicals. Increases energy, helps with weight loss.

Yerba Mate

Stimulant+source of trace minerals. Produces natural energy without interfering with sleep. Promotes balanced immune function. Cleanses the blood, tones the nervous system+curbs appetite.

Mace

Increases energy, supports weak immune systems. Is an adaptogen. Regulates+supports the adrenal glands. Increases energy+endurance

Rhodiola

Increases resistance to chemical, biological+physical stressors. Benefits includes antidepressant, anticancer+protects the heart+nervous system. Enhances energy

Guarana

Improves memory,mood+alertness.increases physical endurance,maintain stamina+enhances energy. Fights fatigue, rejuvenates+relaxes the body. Helps release stored fat. Suppresses appetite.
