

# 4Life Transfer Factor® Classic

Raise Your Immune I.Q.®

- Supports healthy immune system function
- Supports immune cells' ability and function

## What is 4Life Transfer Factor Classic?

4Life Transfer Factor Classic supports immune system function with 4Life's original Transfer Factor XF®, a concentrate of transfer factor molecules from cow colostrum. These immune messenger molecules support the immune system's ability to more effectively recognize, respond to, and remember potential health threats.

### PRIMARY SUPPORT:

Immune System  
General Wellness

### SECONDARY SUPPORT:

Cardiovascular  
Energy

## Key features

- Supports healthy immune system function that, in turn, promotes healthy energy levels and the healthy function of all other systems throughout the body
- Contains immune-enhancing transfer factors (immune messenger molecules) and other natural components from cow colostrum that help educate immune cells
- Increases immune cell function up to 204% above normal immune response\*

## Did you know?

4Life Transfer Factor Classic is 4Life's original formula, containing transfer factors from cow colostrum. Since this product was first released in 1998, 4Life has pioneered Transferenceutical® Science, innovating more than 25 new products that contain immune-enhancing transfer factors.

**DIRECTIONS:** Take three (3) capsules daily with 8 oz of fluid.
