4Life Transfer Factor Core Products

TF Boost

TF-Boost offers high-potency immune system support when you need an extra boost.

This product has more 4Life Transfer Factor™ per single serving than ANY other 4Life product and more vitamin C than 10 oranges! You also get vitamin B6, D3, and Zinc.

Our scientifically proven formula supports a robust immune response, ensuring you stay active and strong.

Mix this orange-flavored powder packet in 240ml or more of water, let fizz, drink, and experience an amazing boost in overall health and wellness.

[Buy](#)

4Life Transfer Factor Plus Tri Factor Formula

TF Plus is an immune system support supplement that combines cow colostrum and egg yolk extracts (Tri-Factor Formula) with a blend of mushrooms (shiitake, maitake, agaricus) and other ingredients to educate, enhance, and balance immune cell response.

It is designed to boost immunity by helping the body recognize and react to health threats, with [studies](#) suggesting rapid immune activation.

[Buy](#)

4Life Transfer Factor Tri Factor Formula

4Life Transfer Factor Tri-Factor Formula is a dietary supplement designed to strengthen, modulate, and balance the immune system.

Utilising a combination of 4Life Transfer Factor bioactive immune peptides from cow colostrum, OvoFactor from chicken egg yolks, and NanoFactor mini molecules.

It helps the body recognize, respond to, and remember health threats, with studies showing it boosts Natural Killer (NK) cell activity.

[Buy](#)

4Life Transfer Factor Core Products

Transfer Factor Chewable

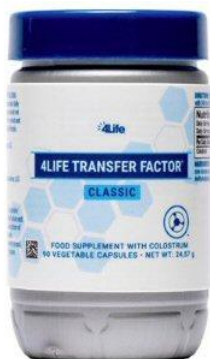

4Life Transfer Factor Chewable Tri-Factor Formula is a citrus-cream flavoured dietary supplement designed to support immune system health for both adults and children.

It uses a blend of bovine colostrum, egg yolk, and NanoFactor to help the immune system recognize, respond to, and remember health threats.

This product is equivalent to Tri Factor Formula but in chewable form.

[Buy](#)

4Life Transfer Factor Classic

4Life Transfer Factor Classic is a daily immune system support supplement containing messenger molecules derived from cow colostrum (UltraFactor).

Designed to help immune cells recognize, respond to, and remember health threats.

It is the original 4Life formula, aimed at enhancing Natural Killer (NK) cell activity.

[Buy](#)

4Life Targeted Transfer Factor Products

Transfer Factor BCV

Transfer Factor BCV is a specialised dietary supplement designed to support cardiovascular health and immune function.

It has a blend of vitamins, minerals, and antioxidants—including Coenzyme Q10, Garlic, Ginger, and Red Yeast Rice—combined with 4Life's proprietary Tri-Factor Formula for immune support.

Also known as 4Life Transfer Factor Cardio, it aids in maintaining healthy blood pressure, cholesterol levels, and blood vessel function.

[Buy](#)

4Life Transfer Factor Age Pro

4Life Transfer Factor AgePro is a dietary supplement designed for healthy aging by targeting cellular rejuvenation, immune system support, and increased energy.

It combines 4Life's signature immune-boosting transfer factors with ingredients designed to combat cellular senescence (aging) and improve longevity, such as NMN and senolytics.

[Buy](#)

4Life Transfer Factor Collagen

4Life Transfer Factor Collagen is a strawberry-mango flavored, powdered drink supplement designed for skin, hair, nail, and joint health by combining 5,000 mg of hydrolyzed fish collagen (Types I, II, III, V, X) with 4Life Transfer Factor Immune System education.

It boosts skin hydration, elasticity, and reduces wrinkles while supporting immune function with antioxidants, vitamins A, C, E, and biotin.

[Buy](#)

4Life Targeted Transfer Factor Products

Transfer Factor Vista

Life Transfer Factor Vista is a dietary supplement designed to support eye health, visual sharpness, and, to a lesser extent, immune system function.

It contains lutein, zeaxanthin, vitamins A, C, and E, plus zinc, and bilberry to protect against eye-damaging blue light.

It is generally taken as 2 capsules daily.

[Buy](#)

4Life Transfer Factor Lung

4Life Transfer Factor Lung is a targeted dietary supplement designed to support respiratory health, enhance immune function, and help the body combat air pollution and environmental stressors.

It has a blend of ingredients including Thyme, N-acetyl-L-cysteine, and 4Life's proprietary Tri-Factor Formula, aimed at promoting clear breathing and protecting lung tissue.

[Buy](#)

4Life Transfer Factor Recall

Transfer Factor Recall is a dietary supplement designed to support brain health, cognitive function, and memory, particularly for individuals with demanding lifestyles.

It combines 4Life's Tri-Factor Formula (immune system support) with a blend of antioxidants and herbal nutrients like Ginkgo biloba and Bacopa monnieri.

[Buy](#)

4Life Transfer Factor Reflexion

4Life Transfer Factor Reflexion is a dietary supplement designed to support mood, cognitive focus, and stress management using a blend of natural ingredients like L-Theanine and Wild Green Oat.

It helps users manage daily stress, improves relaxation, and includes 4Life Transfer Factor to support immune system health.

[Buy](#)

4Life Targeted Transfer Factor Products

Transfer Factor GluCoach

Glucoach is a dietary supplement designed to support healthy glucose levels and the endocrine system.

It combines 4Life's proprietary Transfer Factor formula for immune system education with a blend of herbs, minerals, and phytonutrients aimed at promoting healthy blood sugar levels and metabolic balance.

[Buy](#)

4Life Transfer Factor Glutamine Prime

4Life Glutamine Prime is an immune system support supplement designed to nourish immune cells, particularly during times of stress.

It features a high dose of L-glutamine, along with NanoFactor (cow colostrum), arginine, and antioxidants to promote cell communication, enhance energy, and support digestive health.

[Buy](#)

4Life Transfer Factor MalePro

Transfer Factor Recall is a dietary supplement designed to support brain health, cognitive function, and memory, particularly for individuals with demanding lifestyles.

It combines 4Life's Tri-Factor Formula (immune system support) with a blend of antioxidants and herbal nutrients like Ginkgo biloba and Bacopa monnieri.

[Buy](#)

4Life Transfer Factor Belle Vie

It is a dietary supplement designed for women's health, focusing on reproductive, breast, and endocrine system support.

It combines Transfer Factor E-XF with herbal ingredients (green tea, grape seed, red clover), phytoestrogens, and antioxidants to aid hormonal balance, detoxification, and cellular function.

[Buy](#)

4Life RioVida

RioVida Burst

4Life RioVida Burst is a portable, edible gel dietary supplement designed to support immune system health and provide antioxidant protection.

It combines 4Life Transfer Factor Tri-Factor Formula (from cow colostrum and egg yolk) with a fruit blend of açai, pomegranate, blueberry, elderberry, and purple grape.

[Buy](#)

RioVida Stix

4Life Transfer Factor RioVida Stix is a powdered, portable dietary supplement designed to boost immune system health, provide antioxidant support, and replenish electrolytes.

It combines 600 mg of Transfer Factor (from cow colostrum and egg yolk) with a fruit blend (açai, pomegranate, blueberry, elderberry, grape).

[Buy](#)

Vitamins and Minerals

4Life Transfer Factor RiteStart

4Life RiteStart is a comprehensive daily nutritional supplement pack designed to support immune function, bone health, skin health, and cardiovascular wellness.

It features 4Life Transfer Factor Plus Tri-Factor Formula to educate the immune system, along with vitamins, minerals, and antioxidants.

Transfer Factor Plus Capsule

Multiplex Capsule

Antioxidant Capsule

Essential Fatty Acid Complex Capsule

[Buy](#)

4Life Digest4Life – Gut Health

Digest4Life Pre /O

It is a, daily, lemon-flavored, microbiome supplement designed to support digestive and immune health.

It features 5 probiotic strains (875 million CFU), 3 types of prebiotics, and 4Life Transfer Factor Tri-Factor Formula for immune support.

It uses a microencapsulated beadlet system for targeted delivery to the colon.

[Buy](#)

Digest4Life Super Detox

Super Detox is focused on cleansing and detoxifying the body. In particular the liver and intestines.

Ingredients include: Red clover (*Trifolium pratense* L.) flower powder, milk thistle (*Silybum marianum*) fruit extract, glazing agent (hydroxypropyl methylcellulose), dandelion (*Taraxacum officinale*) leaf extract, broccoli (*Brassica oleracea* L. var. *italica* Plenck) seed and leaf extract, artichoke (*Cynara scolymus* L.) leaf extract, and canola oil.

[Buy](#)

Digest4Life Fibre System Plus

Fibre System Plus is a Food supplement with plant fibre that helps maintain healthy digestion and regularity.

Designed to support healthy digestive function, regularity, and intestinal detoxification.

It contains over 20 herbal ingredients—including psyllium husk, cascara sagrada, and ginger—to gently cleanse the gastrointestinal tract, optimize nutrient absorption, and improve digestive comfort.

[Buy](#)

4Life Transform

Pro TF Chocolate

PRO-TF Chocolate is a high-performance, hydrolyzed whey and egg protein powder designed to support lean muscle growth, enhance fat burning, and provide immune system support with 4Life Transfer Factor.

It provides 20g of protein per serving (using 2 scoops) to aid in muscle recovery and body transformation, featuring a delicious chocolate flavor.

[Buy](#)

Pro TF Vanilla

Pro-TF is a hydrolyzed whey and egg protein powder designed to support muscle growth, increase metabolism, promote fat loss, and enhance immune function.

Ingredients include 20g of protein, 4,700 mg of branched-chain amino acids (BCAAs), and 600 mg of [4Life Transfer Factor Tri-Factor Formula](#) for immune support.

Aids in muscle recovery and body transformation, featuring a delicious Vanilla flavor.

[Buy](#)

4Life Transform Burn

4Life Transform Burn is a thermogenic food supplement designed to accelerate metabolism, reduce body fat, and aid in weight management.

It features a blend of natural ingredients like Citrus fruits, African Mango, and Coleus Forskohlii to boost energy and reduce hunger.

It is intended for adults and typically taken before workouts.

[Buy](#)

4Life Transform

4Life Transfer Factor Renuvo

4Life Transfer Factor Renuvo is a daily supplement designed to promote healthy aging, mental focus, and muscle recovery by managing physiological stress.

It has a blend of adaptogenic herbs—such as ashwagandha, turmeric, and rhaponticum—along with immune-supporting Transfer Factor components. It is designed to help the body combat stress from poor diet, exercise, or aging.

[Buy](#)

4Life Transform Man

4Life Transform Man is a dietary supplement designed to support men's health, focusing on sexual performance, vitality, and muscle strength.

It features a blend of Panax ginseng, L-citrulline, and Vitamin D to promote healthy circulation, reduce oxidative stress, and aid in the maintenance of lean muscle mass.

[Buy](#)

Energy GoStix

GoStix Berry

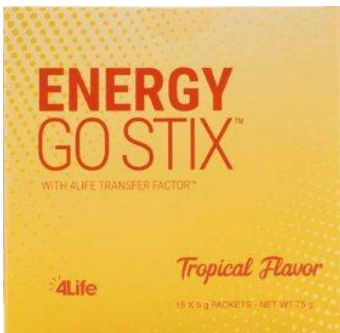

Go Stix Berry is a berry flavored, powdered energy drink mix designed to boost energy, focus, and alertness without the crash associated with conventional energy drinks.

It comes in convenient, single-serving packets, blending natural stimulants like green tea, yerba mate, and guarana with [immune-supporting](#) Transfer Factor E-XF.

[Buy](#)

GoStix Tropical

Go Stix Tropical is a powdered dietary supplement designed to boost energy, focus, and alertness with a pineapple, passion fruit, and mango flavor.

It provides sustained, natural energy from guarana, green tea, yerba mate, and ginseng, without the crash associated with sugary drinks.

Each 5g packet is low-calorie, non-carbonated, and includes 4Life Transfer Factor to support immune function.

[Buy](#)

äKwä Beauty & Skin Care

Glacier Glow – Four Way Toner

Glacier Glow is an alcohol-free, vegan, and hydrating mist designed to tone, prime skin for makeup, set makeup, and refresh the skin throughout the day.

Part of the äKwä skincare line, it features fermented green tea, rose water, and a Korean calming complex to brighten and soothe skin.

[Buy](#)

Precious Pool – Vitamin Essence

Vitamin Serum (or Vitamin Essence) is a Korean inspired, nutrient-rich skincare product designed to hydrate, brighten, and soothe the skin.

Formulated with fermented green tea water, niacinamide, and adenosine, it works to even skin tone, boost elasticity, and protect against daily environmental stressors.

[Buy](#)

Ripple Refine – Eye Cream

Ripple Refine Eye Cream is a plant-based, vegan, and fast-absorbing, Korean-inspired skincare product designed to intensely hydrate, firm, and brighten the delicate eye area.

It uses Tremella mushroom, sodium hyaluronate, and a plant-based complex to reduce the appearance of wrinkles, dark circles, and puffiness.

[Buy](#)

Rainburst – Moisture Cream

Rainburst Moisture Cream is a lightweight, hydrating, plant-based facial moisturizer inspired by Korean skincare techniques. It uses fermented green tea water, birch sap, and niacinamide to soothe, brighten, and reduce wrinkles for a "glass skin" appearance. Designed to be applied to the face, neck, and chest, it supports skin elasticity and locks in moisture.

[Buy](#)

Personal Care

Enummi Toothpaste

A fluoride-free oral care product that combines 4Life Transfer Factor with Lactobacillus lysate postbiotic, Xylitol, and Coenzyme Q10. Designed for daily use, it aims to balance the oral microbiome, strengthen gum health, and freshen breath with a mint-cinnamon flavor.

[Buy](#)

Enummi Body Lotion

Enummi Body Lotion is a nutrient-rich, fast-absorbing daily moisturizer designed to hydrate, soften, and protect skin using 4Life Transfer Factor, herbal extracts, and antioxidants.

It supports the skin's natural barrier, offers a light lemongrass scent, and is suitable for all skin types.

[Buy](#)

Transfer Factor Renewal

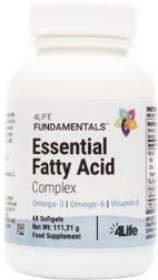

A soothing, topical skin gel that combines 4Life Transfer Factor with botanical extracts like aloe vera, rosemary, chamomile, and lavender to promote soft, healthy skin.

It is designed to calm, moisturize, and reduce the appearance of dry patches, blemishes, and skin irritations.

[Buy](#)

Basic Wellness

Essentials Fatty Acid Complex

4Life Essential Fatty Acid Complex (also known as BioEFA) is a dietary supplement designed to support cardiovascular health, brain function, and skin health by providing a blend of omega-3 and omega-6 fatty acids from fish oil, flaxseed oil, borage seed oil, and safflower seed oil.

[Buy](#)

Fibro AMJ

Fibro AMJ is a dietary supplement designed to support muscle, bone, and joint health, commonly used to maintain comfortable movement and reduce fatigue.

It features a blend of ingredients including magnesium, Boswellia serrata, glucosamine, and MSM to promote musculoskeletal comfort and function.

[Buy](#)

4Life Fortify

4Life Fortify is a nutrient-dense meal pack designed to combat malnutrition in children, containing rice, lentils, beans, vitamins, minerals, and 4Life Transfer Factor.

It is a philanthropic initiative by 4Life Research where individuals purchase bags for donation to charitable partners like Feed The Children, supporting global child nutrition.
